

EYFS: Personal, Social and Emotional Development

Our Early Year Outcomes are for our children to be:

In our Early Years at Henley Green, we recognise the importance of the PSED strand of the curriculum to support our children to achieve our key outcomes, alongside the ELGs in readiness for the Key Stage 1 curriculum.

This development plan has been written to support our 'Intent Statement' and the 'Educational Programmes' in the statutory framework. We have used 'Development Matters' as our curriculum guidance to ensure that the skills outlined are progressive and appropriate to the age and stage of the children.

Educational Programme: PSED

Children's personal, social and emotional development (PSED) is crucial for children to lead healthy and happy lives and is fundamental to their cognitive development. Underpinning their personal development are the important attachments that shape their social world. Strong, warm and supportive relationships with adults enable children to learn how to understand their own feelings and those of others.

Children should be supported to manage emotions, develop a positive sense of self, set themselves simple goals, have confidence in their own abilities, to persist and wait for what they want and direct attention as necessary.

Through adult modelling and guidance, they will learn how to look after their bodies, including healthy eating, and manage personal needs independently. Through supported interaction with other children, they learn how to make good friendships, co-operate and resolve conflicts peaceably. These attributes will provide a secure platform from which children can achieve at school and in later life.

PSED – Early Learning Goals

Statutory ELG: Regulation

- Show an understanding of their own feelings and those of others and begin to regulate their behaviour accordingly.
- Set and work towards simple goals, being able to wait for what they want and control their immediate impulses when appropriate.
- Give focused attention to what the teacher says, responding appropriately even when engaged in activity, and show an ability to follow instructions involving several ideas or actions

Statutory ELG: Managing Self

- Be confident to try new activities and show independence, resilience and perseverance in the face of challenge.
- Explain the reasons for rules, know right from wrong and try to behave accordingly.
- Manage their own basic hygiene and personal needs, including dressing, going to the toilet and understanding the importance of healthy food choices

Statutory ELG: Building Relationships.

- Work and play cooperatively and take turns with others.
- Form positive attachments to adults and friendships with peers.
- Show sensitivity to their own and to others' needs
