

# EYFS: Literacy

In our Early Years at Henley Green, we recognise the importance of the Literacy strand of the curriculum to support our children to achieve our key outcomes, alongside the ELGs in readiness for the Key Stage 1 curriculum.

This development plan has been written to support our 'Intent Statement' and the 'Educational Programmes' in the statutory framework. We have used 'Development Matters' as our curriculum guidance to ensure that the skills outlined are progressive and appropriate to the age and stage of the children.

We place a big emphasis on oral storytelling development and this development plan is intended to be used alongside our 'Storytelling development' progression.

## Educational Programme: Literacy

It is crucial for children to develop a life-long love of reading.

Reading consists of two dimensions: language comprehension and word reading.

Language comprehension (necessary for both reading and writing) starts from birth. It only develops when adults talk with children about the world around them and the books (stories and non-fiction) they read with them, and enjoy rhymes, poems and songs together.

Skilled word reading, taught later, involves both the speedy working out of the pronunciation of unfamiliar printed words (decoding) and the speedy recognition of familiar printed words.

Writing involves transcription (spelling and handwriting) and composition (articulating ideas and structuring them in speech, before writing).

### Literacy – Early Learning Goals

#### **Statutory ELG: Comprehension**

Children at the expected level of development will:

- Demonstrate understanding of what has been read to them by retelling stories and narratives using their own words and recently introduced vocabulary.
- Anticipate - where appropriate – key events in stories.
- Use and understand recently introduced vocabulary during discussions about stories, non-fiction, rhymes and poems and during role-play

#### **Statutory ELG: Word Reading**

Children at the expected level of development will:

- Say a sound for each letter in the alphabet and at least 10 digraphs.
- Read words consistent with their phonic knowledge by sound-blending.
- Read aloud simple sentences and books that are consistent with their phonic knowledge, including some common exception words.

#### **Statutory ELG : Word Writing**

Children at the expected level of development will:

- Write recognisable letters, most of which are correctly formed.
- Spell words by identifying sounds in them and representing the sounds with a letter or letters.
- Write simple phrases and sentences that can be read by others.
