

As
Mathematicians

We will be continuing to recognise the place value of each digit in a two digit number using tens and ones. Additionally, exploring number problems using both addition and subtraction.

From this, we will develop an understanding of multiplication and division facts, including sharing.

As Computing.

We will be looking at Robot Algorithms this term.

P.E and
Upskilling

In PE, we will be learning to control a ball and working successfully as a team.

PE kit to be worn to school on a Wednesday

As
Musicians

Continuing to discover patterns and moods within a variety of music types.

Year 2 - Summer term

Seaside Fun

As Readers
and Writers

In English, we are looking forward learning to reading fluently, retelling and writing a range of traditional tales, poetry, instructions and imaginative stories.

We will continue to learn to demarcate sentences correctly using capital letters and full stops.

As Historians.

We will be answering these questions in topic:

- Why did people from Coventry want to visit the seaside?
- What was a seaside holiday like for our grandparents and great grandparents?
- When and why did seaside holidays become popular?
- Can I compare seaside holidays now and in the past?
- Who is Grace Darling?
- What did Grace Darling do?

- Reading every day.
- Learning Maths Key skills (Test on Thursday)
- Practising Times Table Rock Stars <https://trockstars.com>

As
Scientists

As Scientists, our particular focus will be animals including humans. We will be looking at life cycles of different animals and humans. We will be looking at hygiene with food and making a healthy snack.

In R.E.

We will be looking at Sikhism:
What is unique about the Sikh understanding of God/supreme being?

How parents
can help
